# Introduction to Colab

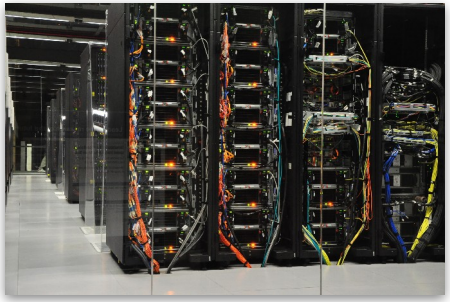

# How will we use Colab in this course?

- Code **walkthroughs** of algorithms and concepts

# How will we use Colab in this course?

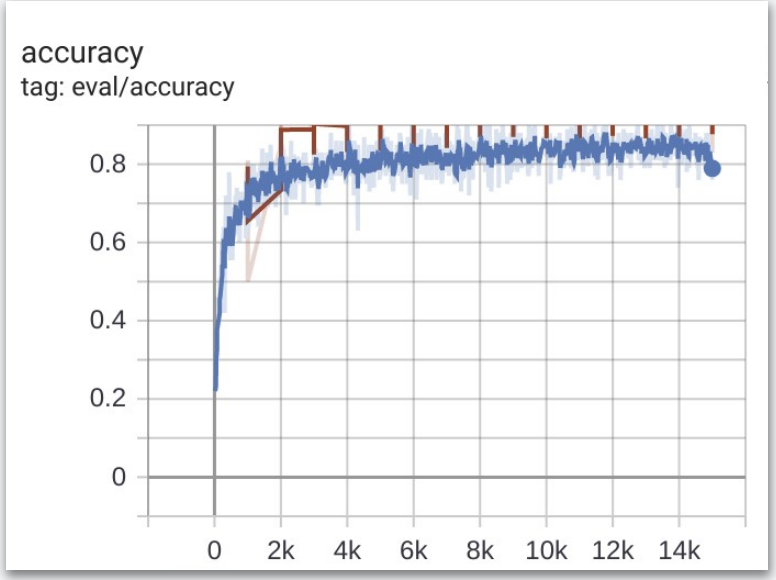

- Code **walkthroughs** of algorithms and concepts
- **Training** our Neural Networks (in the cloud)

# How will we use Colab in this course?

- Code **walkthroughs** of algorithms and concepts
- **Training** our Neural Networks (in the cloud)
- **Visualize** the training characteristics of the model
